Subject: RE: Proposed Plan for South Fork Wind

Good morning -- Mike Koerber just heard from Tomás, who said he's comfortable with Region 1 proceeding to finalize the SFW permit as described in the concerned citizens' letter paper from Friday (contingent on OAQPS agreeing, which we do).

Please let me know if you need anything further from us to finalize the permit today, and please keep us posted once it's completed.

Thank you,
Megan

Hi Lynne,

Ex. 5 Deliberative Process (DP)

We plan to route for signature on Tuesday morning after we receive OAR concurrence. We will also incorporate edits being made to the Orsted comment (II.A) into the American Clean Power comment (II.B).

Megan, please keep us posted on what you hear from OAR.
